

## Environmental Monitors Set Up Call, ESC QUESTION BY QUESTION (QxQ), VERSION 2.0

### I. GENERAL INSTRUCTIONS

The Environmental Monitors (Including Dust Collection Kit) Set Up Call (ESC) is to be completed during the participant's Environmental Monitors and Dust Collection Kit Setup Call.

Please answer every question on this form. *NOTE: All response options in the paper form may not appear in CDART (e.g., 'Don't know', 'Declines to answer', etc.).* Beside each item input is a small double bracket icon which looks like this: . Clicking this icon displays a field dialogue box in which the "Field Status" selection menu allows you to choose from the following options: 'Refused', 'No response', 'Doesn't know', 'Not applicable', 'Maximum value', 'Minimum value', and 'Missing'. **See MOP 6 – Section 3.2 for additional instructions on how to select a Field Status option.**

### II. INSTRUCTIONS FOR INDIVIDUAL ITEMS

**Header Information:** Consists of key fields which uniquely identify each subject and recorded occurrence of a form. For the "ID NUMBER", record the 2 or 3-character, 6-digit number assigned to the specific participant. For the "Event", record that this is happening at the environmental monitors setup call.

- Item 0a.** Record the date the data was collected or abstracted in the MM/DD/YYYY format either by selecting the pop-up calendar in CDART or entering the date in the space provided.
- Item 0b.** Record the SPIROMICS III staff code of the person who collected or abstracted the data. This code is assigned to each person at each site by the GIC. If you do not have a staff code and are collecting SPIROMICS III data, please contact the GIC in order to receive your own individual staff code.
- Item 1.** Select only one option among the two possible choices.
- Item 2.** Select only one option among the seven possible choices.
- Item 2a.** Specify the other room in which the Environmental Monitors were set up.
- Item 3.** Select only one option among the two possible choices.
- Item 4.** Select only one option among the seven possible choices.
- Item 4a.** Specify the other room in which the participant spends most of their time while awake.

**Note:** Ask the participant to set up the Environmental Monitors in the room indicated in question 4 above. If the participant set up the Environmental Monitors before this set up call, complete questions 5 through 16 below by asking the participant when they set it up. If they did not set up the Environmental Monitors before this set up call, then enter the current date and time in questions 5 through 16 after providing instructions over the phone.
